Dr. Dinesh Kanwar Yadav, Veterinary Officer at Central Laboratory Animal Resources (CLAR), Jawaharlal Nehru University, New Delhi. Have been trained in Laboratory Animal Sciences from CDRI, Lucknow, attended Internal Course on Laboratory Animal Sciences, CPCSEA nominee training at NIAW, Balabgarh, Zoonosis Training at NCDC, New Delhi. Before joining JNU have worked in NDMC, New Delhi w.e.f. Feb, 2007 to Feb, 2013 & have performed many minor & major surgeries in pet animals.

Since joining have developed & maintained new animal strains & initiated several measures to uplift the standard of CLAR, JNU. Have also initiated Orientation & Hands on Training programme for JNU animal users (students) & conducted International Workshop for Handling & care of Laboratory Animals.

Have been nominated as a member of Institutional Animal Ethics Committee (IAEC) of several institutes by CPCSEA which enables to ensure proper care, use and humane treatment of animals used in research, education or testing in these institutes and also ensure compliance to the guidelines, regulations and policies framed by CPCSEA. Have also been invited as a guest faculty in several training programs to give talks on various aspects of laboratory animal science and animal welfare and also organises such trainings at animal facility of CLAR, JNU.

Also pursuing Ph.D in Biotech. The following are my publications:-

1. Preclinical Evaluation of Product Related Impurities & Variants in the journal "The Science & Business of Biopharmaceuticals".
2. Murine Dystocia & Surgical Management in the journal of "Laboratory Animal Science Vol. 4"
3. Management of Gastric Dilatation/Bloat in a Rabbit in the journal of "Laboratory Animal Science Vol. 4"
